PATIENT FINANCIAL INFORMATION

It is our office policy to bill your insurance carrier(s) as a courtesy to you, although you are responsible for the entire balance. Our facility offers many options regarding payment arrangements, which can be tailored to fit your financial situation. It is also office policy to collect copayments and deductibles at the time of service.

ANY MORE THAN ONE MISSED APPOINTMENTS, without a 24-hour notice, except in the cases of emergency or bad weather conditions, **WILL BE BILLED IN FULL** to you, the patient. If you are late for an appointment and only part of the treatment can be done, you will be billed for the full amount of the treatment that was scheduled. Missed appointment charges will be billed to you because insurance does not cover missed appointments.

I have read and understand the above policy.
